WX Smart Menu Crack (LifeTime) Activation Code

WX Smart Menu Crack is an interesting piece of software functioning as a useful alternative to the programs' menu provided by your Windows operating system. After installation, WX Smart Menu should create a desktop icon, enabling you to launch it more easily. Generally, WX Smart Menu runs minimized in the notification area, allowing you to open its main window with one click on its icon. You also have the option of pressing the 'ALT + 1' hotkey in order to run it. WX Smart Menu is meant to help you quickly navigate through all your software, letting you launch them simply by double clicking them in the list. If you press on the 'Local' button, you can open the file location of the selected application. The 'Delete' button helps you remove from your list the programs you no longer want or need, while the 'Search' function helps you quickly locate the utility you wish to work with, without having to scroll down and look for it by hand. Similarly, you can search for items on YouTube or Wikipedia, using the assigned key combination. Furthermore, WX Smart Menu enables you to create shortcuts for your favorite tools simply by selecting an application and clicking on 'MakeShortcut'; their icons will be placed on the lower part of the screen, in a queue, so you can just press the corresponding shortcut and launch them immediately. WX Smart Menu also lets you to customize its appearance by choosing your favorite colors from the provided options and previewing it, or applying it to the border, the font or the utility's window. To conclude, WX Smart Menu can prove quite useful in helping you navigate through all your programs, allowing you to easily access and run them whenever you need, with a minimum of effort. WX Smart Menu Registration Register once to get access to it and unlock all its features. Trial version is fully functional for 7 days, so you don't have to pay a dime to try it out. WX Smart Menu is an interesting piece of software functioning as a useful alternative to the programs' menu provided by your Windows operating system. After installation, WX Smart Menu should create a desktop icon, enabling you to launch it more easily.
