Elden Ring Features Key:

High level battles against powerful monsters and challenging bosses through various story elements. Pure fantasy is being used as a theme and all characters are drawn in style as if they are taken from anime or manga.

Remix a very beautiful and enjoyable adventure fantasy that has never been seen before with the design that fits for modern day.

Several traditional fantasy elements are merged together to create a stylish gameplay experience with a balance between a game and an action flick.

Full motion cutscenes with voice acting that bring the story to life.

A new online play concept where you can meet and fight together with other players in an asynchronous online content.

An enormously rich and huge game world with endless story options.

Long-hours of satisfying gameplay.

Asynchronous online play for a versus type of a fight.

A new and unexplored world for you to discover and enjoy the adventure elements.

A new and fun User Interface (UI) that is easy and simple to use with a game that you can enjoy as you play.

Update from time to time with the latest costumes, monsters and bosses, and other aspects.

Updated maps with various new monsters, the newest contents from the Story Pack, and more.

Contents
